SRI M.C. BASAPPA --In Guntur factory, they have got a stock of lakh and odd bags.....

SRI D. DEVARAJ URUS.—I am glad you have given me that correct information. How much of money is lock'd up. Now where do they bring money for payment to the sugar-cane growers? What will they do with the extra sugar that they are likely to produce? This has generated a chain of problems which is not easily solvable. That is the difficulty ಈಗ ಏ ವ್ಯಾಗಣಕ್ಕೆನ್ನಾಳ್ಳಿ, ಎಂದರೆ ಅದನ್ನು ನಾನು ತೆಗೆದುಕೊಂಡು ಪ್ಲಾಟಿಗಳಿಂತನ್ನು ವ್ಯಾಪಕವಾಗಿ ಅದನ್ನು ತಿನ್ನುವುದಕ್ಕಾಗಿ ಅಗುವಾಗಿಲ್ಲ. ಮಾರ್ಕೆಟ್‌ನಲ್ಲೂ ಬೆಲ್ಲೆ ಇಲ್ಲಿದೆ. ಇದರಿಂದ ಬೆಲ್ಲು ಮಾಡುವವರಿಗೆ ಕಷ್ಟವಾಗಿದೆ. ಈಗ ಬೆಲ್ಲುದ ಬೆಲ್ಲೆ ಕೂಡ ಇಲ್ಲಿದೆ. ಒಟ್ಟಿನಲ್ಲಿ ಪರಿಸಿತ ಏಗಾಗಿರುವವರಿಂದ ಈ ಸ್ವಾದಭಾದ್ರಿ ನಾನು ಒಂದು ಸಲಹೆಯನ್ನು ಹೇಳಿತ್ತೇನೆ. I have to send it throughout the State because it cannot be kept lying for a long time as it will be dried up. What is to be done with the sugar cane unless the big factories and the Khandasari units and others come to the market and buy it. That is the situation. There is one solution—I don't know whether that solution may be feasible or may not be feasible. I cannot also blame the Government of India on this on the s'igh score. I am told in the International Market, there is an understanding or agreement wherein our country cannot export beyond a certain quantity of sugar. Some 6 lakhs and odd quintals perhaps. Whether it is in quintals or tonnes, it is subject to verification. Anyway, this year's production is more than 60 lakhs of tonnes. No time in the history of our country, it would go

beyond 40-42 lakhs of tonnes. This time it has gone beyond 60 lakhs of tonnes. Therefore, the difficulty. You cannot send it straight-away to the International Market. The internal market, according to the figures, is flooded with it. Now, that is the difficulty, and some of the co-operative mills are saying that they are not being allowed to lift the sugar that has been stocked, i.e., no permission is given to lift it. That is why, You don't easily agree when I say that you go and do it. It is not easy to solve this problem. It is such a difficult problem now.

Speaker's Statement about Commonwealth Parliamentary Association

MR. SPEAKER.—Hon'ble Members may have by now known that there is an association by name Commonwealth Parliamentary Association. The Commonwealth Parliamentary Association or the CPA as it is usually referred to is an association of Commonwealth Parliamentarians who, irrespective of race, religion, or culture, are united by community of interest, respect for the rule of law and the rights and freedom of the individual citizen, and by pursuit of the positive ideals of Parliamentary democracy. The Association provides regular consultation between Commonwealth Parliamentarians. The Association aims to promote understanding and co-operation among them and also promotes the study and respect for parliamentary institution through the Commonwealth. The Association has its headquarters in London. It has 102 Branches at present. The Branches are autonomous.

My Secretariat already circulated a Folder on this Association. A Branch of this Association was formed in Karnataka in the year 1958. The Members of Legislature can become members of the Association. The Presiding Officers of the two Houses of the Legislature are the joint Presidents while the Leaders of the Houses and the Leaders of Opposition in both the Houses are Vice-presidents. Under the Constitution an Executive Committee of the Association is also to be elected by the General Body.

There are several facilities available to members on becoming members of this Association. Members visiting Commonwealth Countries are allowed Parliamentary facilities for the purpose of hearing debates and meeting other Members of the Association. Members wishing to visit other Commonwealth Countries could be introduced to the particular countries which would enable them to secure certain hospitality. A letter from the visiting members Branch Secretary is helpful in this regard. All the members are entitled to receive quarterly, free of charge, a publication, entitled the 'Parliamentarian' which contains articles on subjects of parliamentary and Constitutional interests. Every year Conferences of the Association are held in different countries of the Commonwealth where problems of mutual interest to the Commonwealth Countries are discussed. Members from Karnataka have been attending these Conferences. The Commonwealth Parliamentary Conference took place in Delhi during the year 1957 and 1975. On these occasions, delegates from
